Burdekin Basin Water Entitlement Notice

This is a Water Entitlement Notice made by the chief executive on 22 May 2019 under the authority of sections 71 and 75 of the *Water Act 2000*. The matters implemented by this notice are to have effect from 28 June 2019. All individual water licence related information are current as at 17 May 2019. (**Please note:** This Notice may not include changes to such individual information potentially resulting from any type of water licence dealings that might have occurred since 17 May 2019.).

Water entitlement notice

- (1) For section 71 of the Act, the chief executive may at any time, make a water entitlement notice for the plan area.
- (2) For subsection (1), the notice states the entitlements or other authorisations that are to be converted, adjusted or granted under this plan in accordance with parts 1 to 4.
- (3) This entitlement notice applies to each existing entitlement listed in this notice.

Part 1 Amending water licences—*Water Act 2000*, section 133

The chief executive is, consistent with Part 5 Division 7 of the *Water Plan (Burdekin Basin) 2007*, amending water licences in accordance with—

- schedule 1, for the Upper Burdekin subcatchment; and
- schedule 2, for the Belyando Suttor subcatchment.

The amended licence takes effect from the day the chief executive gives the licensee the amended licence.

Part 2 Converting to and granting water allocations—*Water Act 2000*, sections 146 and 147

The chief executive is, consistent with Part 5, Division 6 of the *Water Plan (Burdekin Basin) 2007*, converting existing water licences and granting unsupplemented water allocations in accordance with this notice-

- schedule 1, for the Cape Campaspe water management area; and
- schedule 2, for the Upper Burdekin water management area.

The water allocation takes effect from the day registrar records the details of the water allocation granted on the water allocations register.

Part 3 Granting water licences—*Water Act 2000*, section 116

The chief executive is, consistent with Part 5 Division 7 of the *Water Plan (Burdekin Basin) 2007*, granting water licences in accordance with schedule 1.

The licence has effect from the day the licence is given to the licensee.

Part 4 Replacing a water licence with another water licence—*Water Act 2000*, section 133

The chief executive is, consistent with Part 5 Division 7 of the *Water Plan (Burdekin Basin) 2007*, replacing a water licence with another water licence in accordance with schedule 1.

The licence has effect from the day the licence is given to the licensee.
