

Distribution Operations Licence

Water Act 2000

Name of Licence

Mt Isa Water Board Distribution Operations Licence.

Holder

Name of Holder Mount Isa Water Board Pty Ltd

Resource Operations Plan

The licence relates to the Gulf Resource Operations Plan (the Plan).

Authority to Take and Interfere

The licence authorises the holder to take and interfere with the flow of water to distribute water under water allocations, as detailed in Schedule 1, and distributed by the licence holder in accordance with the Plan Chapter 4.

Water Infrastructure

The water infrastructure to which the licence applies is detailed in the Plan Attachment 6(c) – Infrastructure details for the Distribution Operations Licence Holder for the Moondarra Dam and Julius Dam water supply schemes.

Conditions

1. Operating Arrangements and Supply Requirements

- 1.1. The operating arrangements and supply requirements that relate to the licence holder are detailed in the Plan Chapter 4.
- 1.2. In accordance with section 110 of the *Water Act 2000*, the licence holder must comply with the operating arrangements and supply requirements in the Plan.

2. Metering

- 2.1. The licence holder must meter in accordance with section 11 of the Plan.

3. Monitoring and Reporting Requirements

- 3.1. The licence holder must monitor and report as set out in Chapter 7 of the Plan – Scheme Licence Holder Monitoring and Reporting and in accordance with the Plan section 12.

4. Transitional Arrangements

- 4.1. The transitional arrangements detailed in Schedule 2 apply if, on the day the Plan commences, the licence holder is unable to meet the requirements of the Plan as required under Conditions 1, 2 and 3.

5. Stated Amendment Water Act 2000, Section 113

- 5.1. The Chief Executive may amend this licence to change the transitional arrangements stated in Schedule 2 if necessary as a consequence of the licence holder's completion of elements of the interim program approved by the Chief Executive under section 15 of the Plan.

5.2. The Chief Executive may amend this licence to delete Schedule 2 upon the licence holder's completion of all elements of the interim program approved by the Chief Executive under section 15 of the Plan.

Commencement of licence

The licence took effect on 26 August 2010.

Granted on

28 June 2010, amended on 11 July 2014.

A handwritten signature in black ink, appearing to read 'Bernadette Hogan', with a long horizontal flourish extending to the right.

Bernadette Hogan
Director, Water Services Support

SCHEDULE 1

1. This Schedule applies to:
 - a) the following water allocations distributed under this licence and managed under the resource operation licence for the Julius Dam Water Supply Scheme—
 - i. 1
 - ii. 2
 - iii. 3
 - iv. 4
 - b) the following water allocations distributed under this licence and managed under the resource operation licence for the Moondarra Dam Water Supply Scheme—
 - i. 7
 - ii. 8
 - iii. 9
 - iv. 10

SCHEDULE 2

TRANSITIONAL ARRANGEMENTS

2. This Schedule applies:
 - a) if, on the day that the Gulf Resource Operations Plan (the Plan) commences, the licence holder is unable to meet the requirements of the Plan so as to comply with Conditions 1, 2 and 3 of this licence;
 - b) only to the extent that the licence holder is unable to comply with the Plan and Conditions 1, 2 and 3 of this licence.
3. Notwithstanding Conditions 1, 2 and 3, the licence holder must:
 - a) comply with the Plan section 15 in submitting for approval by the Chief Executive the licence holder's statement of current programs and interim program for the implementation of the Plan;
 - b) to the extent that the licence holder's inability to comply with the Plan and Conditions 1, 2 and 3 of this licence relates to an operation or matter for which provision was made in the previous authorisations for Moondarra Dam and Julius Dam as in force immediately before the commencement of the Plan – continue to comply with the previous authorisations in respect of the matter or operation as if the previous authorisations had not ceased to have effect, but only until the Chief Executive approves the licence holder's interim program under the Plan section 15;
 - c) following the Chief Executive's approval of the licensee's interim program under the Plan section 15 – continue to operate, meter and undertake monitoring and reporting in accordance with the interim program approved by the Chief Executive, but only to the extent of the elements of the interim program that have not been replaced by the arrangements implemented under the approved program.
