

Notice of Having Permanently Stopped Supply

Water Supply (Safety and Reliability) Act 2008, section 230

Queensland Government

Privacy Disclaimer: Collection of information provided in this approved form and any attachments is authorised under the *Water Supply (Safety and Reliability) Act 2008* and is being used for the purpose of notifying the Queensland Water Supply Regulator when the supply of recycled water under a recycled water scheme has permanently stopped. The Department of Energy and Water Supply will endeavour to maintain any confidentiality of information relating to your form. However, consideration of your form may involve consultation and if so, details of your form may be disclosed to third parties. This information will not otherwise be disclosed outside of the department unless required or authorised by law (for example as under the *Right to Information Act 2009*).

Note: This is an approved form under the *Water Supply (Safety and Reliability) Act 2008*, to be used by the relevant entity to give the regulator notice of the permanent stoppage.

Before submitting this approved form, the approved form *Notice of Intent to Permanently Stop Supply* **must** have been given to the regulator.

Before submitting this approved form, please be fully aware of your rights and obligations under the *Water Supply (Safety and Reliability) Act 2008*.

Important: Notification under this form **must** be given to the regulator within five (5) days after the supply stops.

1. Relevant Entity Details *(Please tick appropriate box/es)*
