

**DEPARTMENT OF REGIONAL DEVELOPMENT, MANUFACTURING AND WATER  
NOTICE**

***Water Act 2000*  
(Section 29)**

**Limitations on taking water in the Condamine and Balonne underground water management area –  
Upper Condamine Basalts and Upper Condamine Alluvium (tributaries) underground water units**

1. This notice is given by the chief executive pursuant to section 29 of the *Water Act 2000* (“the Act”).
2. This notice has effect on and from 1 July 2021, until further notice, for the Upper Condamine Basalts and Upper Condamine Alluvium (tributaries) of the Condamine and Balonne underground water management area, listed in Column 1 of the Schedule.
3. This notice replaces the notice issued to take effect from 1 July 2020 referring to limitation of take within the Condamine and Balonne underground water management area. This notice also replaces all individual notices issued pursuant to section 29 of the Act between 1 July 2020 and 30 June 2021.
4. The taking of underground water from the underground water units (aquifers) mentioned in clause 2 under water licences authorising water to be taken for purposes other than urban or town water supply purposes, is limited as follows:
  - a) for the aquifer listed in Column 1 of the Schedule, the taking of water is limited for each water year to the percentage of nominal volume listed in Column 2 of the Schedule; and
  - b) for water taken for irrigation – for the aquifers listed in Column 1 of the schedule, the taking of water is permitted only during the pumping period shown in Column 3 of the schedule.
5. Notwithstanding clause 4 of this Notice:
  - a) the chief executive may give a licensee an individual notice pursuant to section 29 of the Act, to withdraw and replace this Notice to the extent that it applies to that licensee; and
  - b) a licensee who is given an individual notice mentioned in clause 5 a) of this Notice must take water only in accordance with the conditions in that notice.
6. Licensees wishing to be given a notice mentioned in clause 5 of this Notice should provide the chief executive with a written submission demonstrating why the limitation under clause 4 is unsuitable to the licensee's operation and identifying an alternative limitation.
7. The operation of this Notice is not affected by the making of submissions under clause 6 of this Notice.
8. A person must not take water in contravention of this notice. A contravention of this notice is an offence under section 29(5) of the Act and renders a person liable for a maximum penalty of 500 penalty units (\$66,725).
