

Water Act 2000 – Form W2F016

ABN 51 242 471 577

Application for seasonal water assignment of a licence

Purpose of the form

This form is used by the holder of a water licence or seasonal water assignment notice to temporarily assign some or all of the unused water that may be taken under that entitlement.

The assignment can be made to another person, or the same entitlement holder (i.e. another entitlement you hold).

Seasonal water assignments can only occur in areas where a water plan, water management protocol or a regulation allows and is within the same water year or a shorter period if allowed by a water management protocol.

You cannot take water under a seasonal water assignment until this application is approved and a seasonal water assignment notice is issued. The notice will state the day you can commence taking water under the assignment. It is recommended you lodge your application as early as possible to allow for processing.
